Thank you for taking the time to fill out this application.\* We wish you the best of luck. You will need to include 3 items to complete this application:

**1. A creative project**

Whether a paddler is aware of it or not, many Hawaiian values are taught and practiced through the sport of outrigger paddling. The sport is not only physical and mental, but cultural as well. We feel that the acknowledgement and perpetuation of these values is of firsthand importance. Therefore, we ask that you express to us through words, art or any other creative means **what paddling means to you personally**, while addressing Hawaiian values such as Laulima (cooperation), Lokahi (unity), Kuleana (responsibility), Kokua (helping), Ohana (family), or Ha'a'ha (humility). Please feel free to include other values that you have learned that may not be listed above. Try to include your personal experiences as far as what you have contributed to the sport of paddling and what it has given back to you.

**2. A letter of recommendation from a coach or a teacher.**

This letter of recommendation should address your abilities in relation to Hawaiian values as well, such as those listed above: Laulima (cooperation), Lokahi (unity), Kuleana (responsibility), Kokua (helping), or Ohana (family). We would like to hear about your strengths and the gifts you bring to your teammates/club/school.

**3. This application form itself.**

**Please return the above items to KIALOA no later than May 31st , 2010.\***

**We will notify award winners by the end of June and will then begin distributing awards. You may return the applications to:**
